About:

The Tournament is a blending of heritage with the modern world as we come together to build bridges, strengthening our tradition and spirit of comradery. Golf is a coming together of people across regions and it is in this endeavour that we are hosting the **Inaugural All Assam Inter Club Golf Tournament: The BORBHAG Cup**.

The Tournament is an effort by a dedicated group of golfers in their continued quest to popularise the game in the region.

The All Assam Inter Club Golf Tournament will be held alternatively at Misa Polo Club and Jorhat Gymkhana Club. The idea behind holding the tournament alternatively at Misa Polo Club (1888) and Jorhat Gymkhana Club (1876) is to encourage budding golfers of these areas to take up the game as a way of life.

The custodian of the trophy is Jorhat Gymkhana Club (JGC) and we intend to expand the tournament to a two-day affair from next year (to be hosted at JGC), subject to the support of all golf loving sportspersons – an indication of which will be noticed in this year's inaugural

Host Clubs:

The Misa Polo Club was built with the intention of creating a social and educational hub for the tea planting community. It is located in the picturesque Kellyden Tea Estate and plays host to the planters and their families of the surrounding tea estates as well as army officers of the Misa Army Base which is located in its periphery. The Misa Polo

Club was established in 1888 as a social Polo Club for the planters and heads of the British District Administration. The British planters introduced the club culture and encouraged social interaction through sports and other celebratory occasions. Apart from the facilities for indoor games, tennis and cricket, a 9-hole golf course was added later and is today the youngest golf club in Assam.

Jorhat Gymkhana Club, the second oldest golf course in Asia and the third oldest in the World. Established by the British, the Jorhat Gymkhana Club was built in 1876 by D. Slimmon, then Secretary of the club in Seconidhara village. The club has been a venue for horse races ever since its inauguration. The Governor's Cup is the major trophy awarded here every year. It has a lush green 14-hole golf course circuit vying for a position in the "World Heritage list". The club offers facilities in lawn tennis grass courts, swimming pool, billiards, polo, gentleman's bar and cinema theatre.
